

# Jonathon LeVitre

## Full Stack Web Developer | Software Engineer

Bountiful, UT | 801-547-7011 | [19ilevitre@gmail.com](mailto:19ilevitre@gmail.com) | GitHub: [19ilevitre](#) | LinkedIn: [Jonathon LeVitre](#)

## TECHNICAL SKILLS

---

**Frontend:** React.js, Redux, Hooks, Context API, Jest, Cypress, Yum, Axios, JavaScript, HTML, CSS

**Backend:** Node.js, Express, SQL, PostgreSQL, Git CLI, GitHub, VS Code, Vercel, Heroku, Netlify

**Additional Skills:** Agile Project Management, Algorithms, Architecture, Debugging, Deployment, Russian, Ukrainian

## PROJECTS

---

### **CoderHeroes, Technical Project Manager**

React | CSS | Okta | Trello | Node.js | Express

- Delegated user-story Trello objectives for a team of 9 engineers and hosted daily stand-up meetings
- Utilized React.js/CSS on the front end with Okta for user authentication and authorization, and Node.js/Express for back-end development
- Shipped 6+ tickets from Trello, improved the codebase, solved user problems, and fulfilled stakeholder requests
- Improved critical website components to facilitate early code education opportunities for young children

### **Anywhere-Fitness, Front-end Developer**

[GitHub](#) | [Website](#)

React | Hooks | Vercel

- Built front-end React components that allows users to register, login, create workouts, join, and edit class data
- Configured JWTs and ensured secure/high-quality data transfer and functionality with back end

### **Potluck Planner, Backend Developer**

[GitHub](#) | [Website](#)

Node.js | PostgreSQL | Heroku | Express

- Collaborated with front end engineers, built a full stack React app for planning potlucks, and deployed using Heroku
- Architected the back end models, schemas, and routes required to support REST API for front end component data
- Built a 5-table PostgreSQL database connecting potlucks, users, and dishes, to support tracking potlucks and invitees

## EXPERIENCE

---

### **The Church of Jesus Christ of Latter-Day Saints, Kyiv, Ukraine - Full-time Volunteer Missionary**

2019 - 2021

- Learned Russian and Ukrainian to communicate with residents, engaging in structured and impromptu lessons
- Served in several missionary leadership positions, organizing small teams to monitor the work of other volunteers, train on fundamental teaching and social support skills, keep morale high, and improve tracked metric performance
- Served as Assistant to the Mission President, advising him on missionary affairs and new pursuits within our mission
- Adapted to frequent moves, new living situations, work partners, cultural norms, and language challenges

### **Bountiful Music, Bountiful, UT - Sales Assistant, Instrument Repairs**

2017 - 2019

- Achieved 150% of monthly sales targets, researching & memorizing product specs and relaying them to customers
- Self-taught repair methods for 12+ instruments, improving satisfaction by keeping repairs in-store and on-the-spot
- Mentored two sales hires to accelerate onboarding; trainees reached sales targets immediately after my resignation

## EDUCATION

---

**BloomTech (Lambda School), Graduate, Full Time Program, Full Stack Web Development**

2021 - 2022
